

Licensing Checklist

Prototype checklist for investors preparing tourism business licensing through Indonesian government channels.

Core Process

Step	Process	Documents / Notes
1	Prepare entity	Company profile, shareholders, business plan, location interest
2	OSS account	Register account and verify business representative
3	KBLI selection	Select relevant tourism business classification
4	NIB submission	Submit business identity and obtain NIB through OSS
5	Location review	Confirm zoning, land status, and regional spatial plan alignment
6	Environmental document	Prepare UKL-UPL/AMDAL or required environmental approval
7	Sectoral permits	Complete tourism-specific operating requirements
8	Operational readiness	Finalize inspections, reporting, and ongoing compliance

Licensing Checklist

Use this as a downloadable placeholder for the microsite document button.

Investor Document Pack
