

Tourism SEZ Opportunities

Prototype overview for active tourism-oriented Special Economic Zones in Indonesia.

How To Use This Placeholder

This document supports the prototype download experience while the final list of tourism SEZ locations, approved project data, and official investment packages are being confirmed. Replace this with separate SEZ memoranda or one consolidated official SEZ prospectus.

Item	Description
Coverage	Tourism-oriented KEK / SEZ locations to be confirmed
Data type	Dummy investment ranges and descriptive summaries
Use case	Download link from map side panel and resources page
Required final input	Approved SEZ list, coordinates, land parcels, incentives, project owner, and contact route
